Message from Wajid Khan, M.P.

Delegates of the 14th annual HPRCT Conference hosted by Bruce Power:

On behalf of the Government of Canada, I would like to extend my warmest welcome to you, Delegates of the 14th annual HPRCT Conference, hosted by Bruce Power. I welcome you to Canada and to the city of Mississauga. I am certain you will find both the city of Mississauga and Canada as a whole a friendly and professional place to conduct your conference. I am pleased you have chosen for the first time to hold the HPRCT Conference in Canada and delighted that Mississauga was your destination of choice.

As you set out on your important work I hope that you will take the time to enjoy all that Mississauga has to offer. Human performance should be continually improved, and your work this weekend will do much to better that cause. Mississauga and the surrounding area offer fine restaurants, great sights and friendly people.

I hope you will leave with fond memories of our city and our country. It is my sincerest wish to see you back in Mississauga and invite you to visit the rest of Canada. I believe you will find Canada's natural beauty breath taking and its warm inhabitants inviting. On behalf of the Government of Canada enjoy your stay.

Sincerely,

Wajid Khan, MP
